

AC/DC Digital clamp meter Model: DCM-011

TECPEL DCM-011 is a high-performance, accurate, and easy-to-use measuring digital hook meter from TECPEL.

The double-insulated design provides a higher level of safety for the user, reducing possible risks during operation.

The resolution is 1mA for DC and 0.1mA for AC, allowing you to read accurate measurement results easily.

MEASUREMENT SPECIFICATION

Digits Display : 3,999 digits
Clamp Caliber : Ø23 mm
AC Current : 400m / 4000m / 30 A
DC Current : 4 / 30 / 40 A
DC Voltage : 400 V
AC Voltage : 400 V
DC Current Resolution : 1 mA
AC Current Resolution : 0.1 mA
DC/AC Voltage Resolution : 0.1V
DC Current Accuracy : $\pm(2.0\% + 3 \text{ value})$ @ smaller than 30A
AC Current Accuracy : $\pm(1.5\% + 5 \text{ value})$ @ 400mA
DC Voltage Accuracy : $\pm(1.0\% + 2 \text{ value})$
AC Voltage Accuracy : $\pm(1.5\% + 4 \text{ value})$ @ 50/60Hz

Product Features

DIODE :
BEEPER :
LOW BATTERY INDICATOR :
DATA HOLD(HOLD) :
INPUT RESISTANCE : 10MΩ
SAFETY REGULATION : RoHS specification, NEW CE 2014

Product Information

Working Environment : -10~50°C / lower than 85%RH without dew.
Storage Environment : -20~60°C / lower
Power Supply : 1.5V Battery (AA) x 2
Dimension : 183 × 61.3 × 35.6 mm
Weight : 190g
Accessory : Battery x2, Test Lead, Carrying Bag, Manual
